The following is an explanation of the program followed by a given lesson group.

*Each Student will have a lesson group that will meet twice per 8-day rotation for 29 minutes.

*A student’s lesson block will always meet on the day and time listed below. Students will never miss an entire class.

*Half of the battle will be for each student to remember what day of the week his/her lesson falls on. With your help, we together, can reinforce and remind students of their scheduled day and time.

*In my absence, all lessons are canceled, unless otherwise notified.

*Lessons will begin on **Monday, October 6st, 2008.**
