ANNUAL POINSETTIA SALE
Lewis S. Mills High School
Lyons Road, Burlington, CT 06013**

Dear Parents of HarBur Middle School Grade 8 Music Students:

You may be asking yourself, why, as parents of HarBur eighth grade music students, are you receiving information about a High School fundraiser. Well, next year, freshman year for your eighth graders, will be here before you know it, and we want to give you and your children the opportunity to start building funds for future band and chorus trips.

For the past few years, the band and the chorus, have been going on a major trip every other year. In April of 2010 the Music Department traveled to Disney World for 8 days at a cost of approximately \$1000.00 per student. So, when your 8th grade students become members of the LSM Band or Choir, a music trip or two over their four high school years is a real possibility and now is the time to start the fund raising activities.

We hope you will take advantage of this fund-raiser opportunity. Each student receives the profit for all the plants he/she sells. The funds are deposited in the Friends of the LSM Spartan Band bank account and a record is established for each student to account for his/her funds raised through these efforts. You will receive a student profit summary after each fund-raiser.

The details of this fund raiser are attached to this letter. We hope you take advantage of this opportunity. Please call if you have any questions or concerns.

Thank you for your support.

ANNUAL POINSETTIA SALE
Lewis S. Mills High School
Lyons Road
Burlington, CT 06013**

Dear Parents & Band/Chorus Students:

The 21st annual "Poinsettia Sale" is taking place now through November 9th. The profits from each student's sales will help defray the cost of the 2012 band and chorus trip. Students should approach relatives, neighbors, friends and their parent's co-workers to maximize their opportunities.

This year we will again be selling two sizes of poinsettias. We are selling the standard size (6½ inch pots) plants in scarlet red, snowy white and blushing pink. These plants have approximately 5 blossoms and will be sold for **\$11.00** each. This will yield a **\$4.50** per plant profit. We are also selling a larger poinsettia that contains two plants in a 7½ inch pot that has approximately 8 blossoms. The larger plants will only be available in red and will be sold for **\$16.00** each. This will yield a **\$4.50** per plant profit. Profits are given to the student that made the sale and will be used to decrease that student's cost for the spring trip.

Please convert all cash into ONE check made payable to "*Friends of the LSM Spartan Band.*" Customers paying by check should make the check payable to "*Friends of the LSM Spartan Band.*" All prepaid order forms MUST be turned in to the band room by Friday November 9th. Please return forms in an envelope with the check stapled to your order form. Remember to fill out and use the receipts (make copies if more are needed). The receipts are the only record the customer has indicating who sold them the plants.

Students will be responsible for picking up and delivering all plants sold. Pick-up date is Friday, December 2, 2011, between the hours of 4:00 and 7:00 p.m. in the Lewis Mills cafeteria. (Snow date: Tuesday, December 6, 2011, between the hours of 2:30 and 5:00pm.)

A reminder notice with plant pick-up information and student profit information will be given to students the week prior to pick-up. We hope you will share in our enthusiasm for this fund-raiser. Please do not hesitate to call or e-mail us if you have any questions or concerns. Good luck.
